CLARIFICATION OF MR. LONG LE'S POSITION, SIGNING AUTHORITY, AND THE COMPANY NAME

Dear Sir/Madam,

In response to EVNGENCO3's request for clarification concerning the title and authority of Mr. Long Le and the company name stated in the bidding documents, the Bidder respectfully provides the following clarification.

Current Position and Signing Authority of Mr. Long Le

Mr. Long Le currently serves concurrently as **President and Chief Executive Officer (CEO)** of UNEW International, Inc. Accordingly, the title "President" stated in the Letter of Bid and the title "CEO" shown in the California Secretary of State's online business record are both correct. These titles are held by the same individual and do not represent any inconsistency in his identity, position, or authority.

As President and CEO of UNEW International, Inc., and as the authorized representative of the leading member under the Joint Venture Agreement submitted with the Bid, Mr. Long Le was duly authorized to sign and seal the Letter of Bid dated 21 June 2026 and other documents relating to Package No. 1 on behalf of the joint venture, in accordance with Section 11, Chapter I - Instructions to Bidders.

Clarification of the Company Name

The name **UNEW, Inc.**, as used in the Letter of Bid and other bidding documents, is a legally registered business name of **UNEW International, Inc.**, as demonstrated by the attached Fictitious Business Name Statement. The full registered corporate name is UNEW International, Inc., doing business as (DBA) UNEW, Inc. both California Entity No. 5332835.

The designation "International" is used to distinguish UNEW's international operations. The company's Florida office functions as the headquarters for international business activities, including the management and development of the Asian market. This business designation does not establish a separate company or legal entity.

UNEW, Inc. and UNEW International, Inc. therefore refer to the same corporate entity. All references to "UNEW" in the Letter of Bid, Joint Venture Agreement, and other documents relating to Package No. 1 refer to UNEW International, Inc., doing business as (DBA) UNEW, Inc., California Entity No. 5332835.

Supporting Documents

Attachment 1 - California Secretary of State Certificate of Amendment of Articles of Incorporation.

This document confirms the change of the corporate name from UNEW Inc. to UNEW International, Inc., the continuation of California Entity No. 5332835, and Mr. Long Le's capacity as President and Secretary. The amendment was filed on 22 December 2025 and approved on 30 December 2025.

Attachment 2 - Santa Clara County Fictitious Business Name Statement. This document confirms that "UNEW, Inc." is a registered business name owned by UNEW International, Inc., California Entity No. 5332835, and identifies Mr. Long Le as President. The statement was filed on 7 January 2026 under Filing No. FBN722626.

We trust that this clarification and the enclosed supporting documents satisfactorily address EVNGENCO3's request. Please accept the above information for the evaluation of the Bid for Package No. 1.

Sincerely,

For and on behalf of UNEW International, Inc.

**LONG LE**

President and Chief Executive Officer

Authorized Representative of the Leading Member of the Joint Venture
