Subject: Clarification of Bid — Timeframe for Issuance of the Warranty Bond

Package: [Package name / Tender No.] — Repair and Refurbishment of Hot Gas Path Components

Reference: Sub-item 6, Item III, Article B, Section 1, Chapter V — Warranty;

Dear Sirs,

We refer to the Request for Clarification issued by EVNGENCO3 in respect of UNEW's bid, in which it is noted that the Bidder committed to providing a warranty bond issued by a lawfully operating bank in an amount equal to 5% of the total value of the successfully repaired goods and valid for a period corresponding to the warranty period, but that the Bidder did not commit to the timeframe for opening the warranty bond as stipulated in sub-item 6, Item III, Article B, Section 1, Chapter V of the Bidding Documents.

UNEW, Inc. confirms that it accepts and complies with sub-item 6, Item III, Article B, Section 1, Chapter V in its entirety, and clarifies its commitment in respect of the Warranty Bond as follows.

- 1. Timeframe for issuance.** UNEW commits that the Warranty Bond shall be issued within 30 (thirty) calendar days from the date on which the Goods Certificate of Acceptance, stating that the goods meet all requirements, is signed by both Parties.
- 2. Issuing bank.** The Warranty Bond shall be issued by a bank lawfully operating in accordance with the requirements of the Bidding Documents.
- 3. Amount.** The Warranty Bond shall be in an amount equal to 5% (five per cent) of the total value of the successfully repaired and refurbished goods.
- 4. Validity.** The Warranty Bond shall remain valid for the entire duration of the warranty period defined in sub-item 6, namely 24 (twenty-four) months from the date of delivery, or 12 (twelve) months from the date of installation, or 8,000 (eight thousand) Equivalent Operating Hours of safe operation from the date of installation, whichever occurs first. The Warranty Bond shall be issued with an expiry date not earlier than the expiry of that warranty period.
- 5. Form and quantity.** 01 (one) original of the Warranty Bond shall be delivered to the Owner.

UNEW takes no exception to sub-item 6, Item III, Article B, Section 1, Chapter V.

We trust that the foregoing fully addresses the matter raised. Should the Bid Evaluation Committee require any further clarification, we remain available to respond promptly.

Yours faithfully,

For and on behalf of UNEW, Inc.

Ronald Miller
Operations Director
