Subject: Evidence of Manufacturing Capacity - Form 04B

Bidder: UNEW, Inc.

Dear Sir/Madam,

UNEW, Inc. respectfully submits this letter in response to your request that the Bidder provide documents evidencing the declared data to demonstrate that its manufacturing capacity satisfies the requirements of the Bidding Documents.

The request relates to Form 04B - Capacity of Manufacturer. UNEW hereby submits the attached supporting evidence package to substantiate its declared manufacturing and refurbishment capacity, including facility capability, quality system, inspection/testing capability, production experience, stock/inventory records, commercial delivery records, and manpower resources.

UNEW confirms that it has the capability to manufacture, refurbish, repair, inspect, test, package, and supply gas turbine capital parts, consumable parts, operational parts, and related components required for long-term service agreement performance.

Documents submitted to evidence Form 04B manufacturing capacity

- Attachment A - Form 04B: Capacity of Manufacturer. (came with bidding documents)
- Attachment B - Company profile, facility information, and facility photographs for UNEW operations (profile).
- Attachment C - Quality certificates and accreditations, including ISO 9001, ISO/IEC 17025/ANAB, Nadcap/PRI, or equivalent quality evidence where applicable. (attachment)
- Attachment D - Manufacturing equipment, inspection equipment, shop capability list, and quality-control capability summary (profile).
- Attachment E - Production/refurbishment capacity statement and historical manufacturing/refurbishment summary for gas turbine capital parts (profile, documents submitted with bidding proposal and attach to this clarification document)
- Attachment F - Inventory/stock records, warehouse evidence, and available spare/capital parts records (profile)
- Attachment G - Certificates of Conformance, final inspection reports, refurbishment reports, and customer completion/acceptance records (come with this clarification documents)
- Attachment I - Organization chart, manpower statement, and key technical personnel qualifications (attached).

Clarification

The declared capacity is supported by a combination of production records, commercial invoices, stock/inventory records, quality release documents, equipment capability, and manpower resources.

Where a specific project or part number requires final confirmation, UNEW will submit the applicable purchase order, bill of material, certificate of conformance, inspection record, and delivery record during contract execution.

All supporting documents are submitted for tender clarification and capacity evaluation purposes and shall be treated as confidential business information of UNEW.

We respectfully request EVNGENCO3/GENCO3 to review and accept the attached evidence package as proof that UNEW's manufacturing capacity satisfies the requirements of the Bidding Documents.

Sincerely,

A handwritten signature in black ink, which appears to read 'Long Le', is positioned to the left of a circular embossed stamp. The stamp contains the text 'UNEW, INC.' around the top edge, 'CORPORATE SEAL' in the center, and '1999' at the bottom. The entire stamp is surrounded by a decorative border of small dots.

Long Le

President / Authorized Representative
